6. Do you have any other comments to add to your evaluation?

Please keep your comments constructive and professional, abiding by the Principles of Community

- Alyssa is a great and engaging T.A. She really helped with revising and editing my essays to further advance in my writing skills.
- She is professional and kind. She always makes you feel good even when your writing needs more work.
- She was somewhat hard to work with, but I think that's because she was too smart for me. I think she expected more of me when I couldn't really give more.
